## Section A. Livestock Flow Chart

1. Provide information regarding the flow of animals through your system. Include source of animals, living conditions for each stage of production and final destination of animals. This may be in a narrative form or submitted as a flow chart. If you have more than one species or category of livestock (e.g. broilers, layers, swine, beef and/or dairy), please submit an individual flow chart for each species or category. Refer to the example below and attach additional sheets as necessary.

Flow chart and/or additional narrative:
